DISCOVER A PLACE
WHERE MAGIC LIVES

In the tradition of Amblin classics where fantastical events occur in the most unexpected places, Jack Black and Gabe Blanchett star in *The House With A Clock In Its Walls*. A film for the whole family.

This magical adventure tells the tale of 10-year-old Lewis, an orphan who is sent to live with his Uncle Jonathan in a creaky old house. But his new home is far from ordinary and soon reveals a secret world of warlocks and witches. The house is enchanted, and Lewis must join his uncle on a quest to discover the source of a mysterious ticking within its walls.
