**Little Badman and the Invasion
of the Killer Aunties**

Humza Khan is the greatest eleven-year-old rapper Eggington has ever known: he is Little Badman and soon everyone will know his name.

The problem is, school has got really weird: one by one, all the teachers are disappearing and suspicious aunties are taking over.

But when they start to mess with his music, Humza has to get to the bottom of what's going on. Can he stop the aunties before they carry out their evil plan?

**Diary of an Awesome
Friendly Kid**

In Diary of an Awesome Friendly Kid, Rowley writes about his experiences and agrees to play the role of biographer for his best friend Greg along the way. (After all, one day Greg will be rich and famous, and everyone will want to know his life's story.) But Rowley is a poor choice for the job, and his "biography" of Greg is a hilarious mess.

Charlie Changes Into a Chicken

Charlie is worrying about the fact that he keeps changing into animals!

Half boy. Half God. ALL Hero.

Look, I didn't want to be a half-blood. I never asked to be the son of a Greek God.

I was just a normal kid, going to school, playing basketball, skateboarding. The usual. Until I accidentally vaporized my maths teacher. Now I spend my time battling monsters and generally trying to stay alive.
