TADPOLE SPOTTER

How many tadpoles like this one can you spot on this page?

WHICH ROUTE LEADS THE FROG AWAY FROM THE FISH?

COLOUR IN EACH STAGE AND LEARN ABOUT THE TADPOLE'S JOURNEY

1. FROG SPAWN

Frogs' eggs look like little black dots surrounded by jelly.

2. TADPOLE

When the tadpoles hatch they have a big head and a long tail.

4. FROG

A grown-up frog has no tail at all and long, strong legs to help it jump around.

3. FROGLET

The froglet grows legs and its tail gets shorter and shorter.

WIN

Signed art prints and both the books!

whippersnapperkids.co.uk/Spring

Competition closes: 30/05/19. Terms and conditions apply, see website for more details.
