

How many bluebells like the one in the circle can you find on this page? Make sure you only count the blue ones!

The Doctor has been summoned. The galaxy is in terrible danger and only a Time Lord can save it. But to do so, she must break into an ancient vault on a remote and frozen world – from which nobody has ever returned alive . . .

Can the Doctor and her friends Yaz, Ryan and Graham uncover the shocking secret in Vault 13?

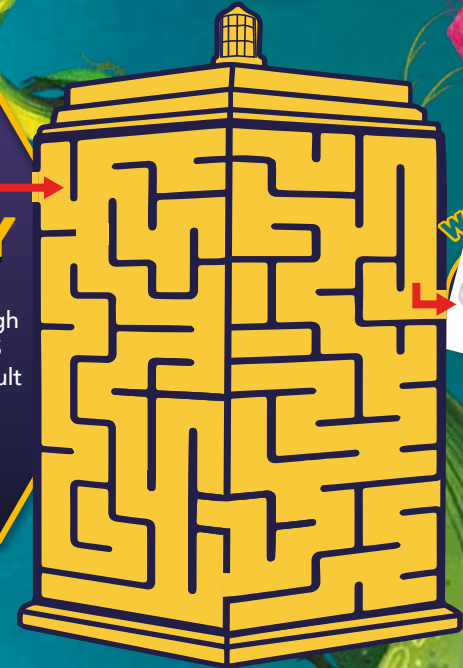

THE FIRST PIECE OF THE PUZZLE

To solve this puzzle, connect only the RED dots, then write what you find below.

FIND THE SECOND KEY

In order to save the galaxy, The Doctor must travel through time and space in the TARDIS to find the three keys to Vault 13. Can you find your way to the second key?

WELL DONE!

SPOT THE DIFFERENCES

There are 8 to spot. Can you find them all?

'AAAAA'AAAAA AGH!  
Something terrible is going on, my person-pal!  
Something so **DREADFUL**, it's enough to curl your tail with **TERROR** (if you have one, of course)...  
A spine-jangling **HOWLING** has been heard in the middle of the night, favourite toys have been **STOLEN**, trash bags have been **SHREDDED** and all the best pee-spots have been **RE-SCENTED**!  
It must have something to do with the **'NIGHT OF THE HOWLY WIENER'**, which is only days away...  
Can I find the evil mastermind who is **TERRIER**-izing our town?!
