LONDON

Sightseeing

Ghostcloud's London is similar to our own, but a few things have
changed. For example:

Big Ben beeps and the Channel Tunnel is closed;
East London is flooded and lots of people live in boats;
There are robot-horse carriages and kidnapping is rife.

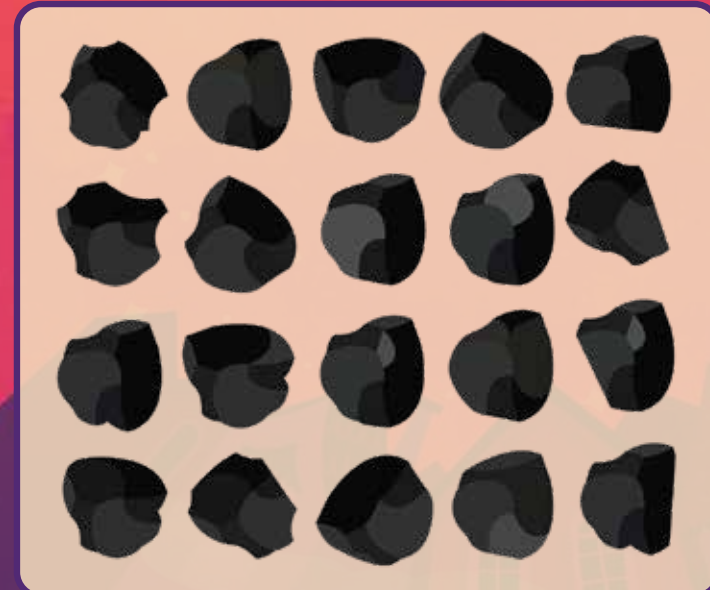

How well do you know our London? Complete these tasks to find out!

Task 1: Correctly fill in the points on the compass. You'll need
them for Task 2.

Task 2: Use the instructions below to correctly label all of the
landmarks on the map. You may need to come back to some
of the steps before you can complete this task.

1. Tower Bridge is **SOUTH EAST** of St Paul's Cathedral
2. Big Ben is **SOUTH EAST** of Buckingham Palace
3. Albert Hall is directly **WEST** of Buckingham Palace
4. Battersea Power Station is the furthest **SOUTH**
5. Big Ben is **NORTH EAST** of Battersea Power Station
6. St Paul's Cathedral is furthest **NORTH**
